EDMONTON ENGLISHMEN ARE BEHIND CROSS AND McDougall

Magnificent Reception Tendered the Liberal Candidates at Club Hall by Enthusiastic Anglo-Canadians of the City.

"WE'RE ALL PALS TOGETHER"
STIRRING CAMPAIGN CHURCH

Resolution Pledging Support to the Rutherford Government Carried by Standing Vote and Amidst Deafening Cheers.

John A. McDougall Appeals For a Large Majority for the Attorney-General—Hon. Mr. Cross Dies With Conservative Record—Hon. H. S. Marshall Himself by Central Employers' Association Because of the Workmen's Compensation Act—Reiterates Government's Intention to Assist Employers in Obtaining Insurance:

The English Liberal speaker, in house at Hart C. Cross in the Club Hall, Kinmonth Avenue, a few weeks ago, was applauded less even than John A. McDougall was when he came home. An Englishman, he was always much more than the cross who appeared early and soon every available seat in the hall was filled and crowded stood on the floor, on the platform, on the stove, on the window sills and up the balconies stairs, until every available space was filled.

When Mr. McDougall arrived he was enthusiastically cheered as he walked up the aisle and seated himself in the chair which had been reserved for him. Mr. Chas. May, who was also given an ovation, Hon. C. W. Cross, arrived later and though he had come to pay his respects to the speakers he had to sit on the floor with the rest of their feet prodding chairs.

The smoke concert was a continual expression of the support of the English-speaking public for the Liberal candidates. Messrs. Cross and McDougall were the most popular and most popular some of the most enthusiastic was the campaign cheer, "We're all pals together." The water pipes were passed around and all settled down to enjoy the most successful campaign ever held in Edmonton. W. C. Condy directed the speakers from the chair in a most capable manner.

The Guests of the Evening.
Mr. McDougall could have no better indication of his popularity in the city than the ovation which he received when he was given him, when he arose to address the audience of Englishmen, the most important subject he spoke of the magnitude and power of the British nation. This was followed by a speech based on him when, a few years ago, he made a trip around the world. Nothing in the history of the world has impressed on his mind as the battleship of the British navy and the British merchant marine as the greatest parts of the world. No nation had done more than the British nation to colonize the world. He concluded his speech London he thought to be the most interesting as well as the greatest of the world.

"They are slow, aren't they?" said one in the audience, "who evidently was not born in the world's mother country."

Continuing, Mr. McDougall said "out of all the colonies that I visited in the world, Canada was the best, where Canada was the greatest. The world was only in her infancy as yet, for she had not yet developed, but she will develop. Here all classes of people were flocking and all were welcome."

Mr. McDougall referred in particular to "the maple leaf," Canada's national emblem. He said it was the best he ever saw. It had been adopted and Scotland, and reflected the feeling of all Canadians toward the mother country.

Entitled to Province's Confidence.
He referred to the political condition of Alberta and said that the government of the Province of Alberta was entitled to be supported by a large majority. The government was entitled to the continued confidence of the electors of the province or of the vast majority of the people of Alberta with the assistance and endorsement which was displayed by the Edmontonians at the meeting.

Mr. Cross would be returned at the head of the poll on March 22, and that he was sure that when he returned he would promote the election of Mr. Condy, that they would have no cause to regret it. He said that he did not intend to devote his whole time to the best interests of Edmonton and the province.

Duncan Marshall Speaks.
Duncan Marshall delivered an excellent speech, and said that the good government had done so much to advance the interests of the country. He told that the people of Alberta were doing well and by supporting the present government, thereby support the state.

A pledge of support to Mr. McDougall was proposed by J. Henderson and carried by a standing vote. Mr. Henderson said that in selecting a candidate it was essential to

CALGARY ONLY PLACE WHERE THE SECTIONAL CRY IS RAISED

No Conservative Candidate Except in That City Has Said That the South Is Being Discriminated Against by the Rutherford Government—Duncan Marshall Last Night Delivered an Able Speech to the Electors in Hillhurst in Support of E. H. Riley, Liberal Candidate in Gleichen.

Calgary, Mar. 9.—Wednesday night returned to Calgary yesterday from the south, where he had been invited to speak at the annual meeting of the Alberta Agricultural Society, held at the University of Alberta, and the most successful trip in the southern part of the province. The Liberal candidate, Dr. W. H. Riley, who will be a candidate in the constituency of Gleichen, will address a meeting at Olds' Thursday night will speak at the University of Alberta Saturday he will attend the convention in his own city of Strathmore. The Liberal government had spent \$8,000,000 on education, agriculture and no one in the south can afford to subscribe to the cry that the south is being discriminated against.

"There were no provincial taxes except the school tax, no one objects to paying the same," he said.

In three and a half years the government had provided \$20,440 for schools and charities, \$660,000 for universities and \$100,000 for the Royal Canadian Mounted Police.

Good Work of Attorney General.

The attorney general's department had assumed the mortgage law cases were now paid direct from the crown, reducing the cost of litigation set with its protection to labor. Now when a man was killed his employer had to pay compensation.

In British Columbia, the mecca of socialism, the indemnity was only \$1000. In Alberta, the indemnity for a funeral was \$1000; in Alberta \$200. In British Columbia the indemnity for a funeral was \$1000; in Alberta it is \$500. The indemnity for a accident place from which an accident must fall 40 feet, in Alberta it is \$500. The indemnity for a fatal accident four years ago, and that is secret that he might have been to the Central Alberta.

SPORTING NEWS

HOCKEY.

EDMONTON DEFEATS MOOSE JAW. The Edmonton hockey team added another to their list of wins for the season of 1908-9, and at the same time sustained their reputation as the most popular team in Western Canada by defeating the Moose Jaw team last evening on the Thistle Hill rink. The score was 8-2, and play again—on Thursday evening, when the visitors will make a strenuous effort to turn the tables on the Edmonton team.

While the game was not fast as those played in the first half, it furnished plenty of entertainment for the 600 hockey fans assembled in the hall. The visitors took the lead in the first game, but the visitors were in the lead again in the second game, and the game was even. The ice was known to be bad, and Moose Jaw had not been troubled in the first half by any of their doughty opponents, the game ending in a draw.

In the second half they showed up more in their usual form and gave the local team an interesting time.

Edmonton led off in the first half at a good pace, and got two goals in the first twenty minutes. Moose Jaw woke up and alternated with the home team, making the score 4-4 at half-time. In favor of Edmonton. Three goals in rapid succession for Moose Jaw, who was champions early in the second half gave them a lead of one goal. Then the visitors began to play. After seven minutes hard play Whitemore scored, making the score 5-5. Moose Jaw again jumped into the lead. The game was full time. Dennis scored two goals while playing for Edmonton, a lead of two and the game.

The play was clean, the only penalties being for Miller, Crowley, and Crowley for minor offences.

Jimmy Taylor replaced Ross, at center, playing for Moose Jaw, who was playing right wing for Moose Jaw. He is a fast man and a good stick hander. But he had some trouble with his difficulty in keeping his feet. Kane is a good man in goal and Bissell, the goalie also showed up well.

Edmonton—Miller, 2 goals; Crowley, 2 goals; Taylor, 2 goals; Crowley, 2 goals; Dennis, 2 goals; Bissell, 1 goal; rovers, Park, centre; Law, right; Smith, left; Taylor, right.

Referee—Peter Butler, Judge of Play—E. J. McMillan, Time-keepers—Bert Russell and McMillan.
